---

Adam is a corporate associate in our Silicon Valley office.

---

Adam specializes in supporting emerging growth companies at every stage of their journey. He is dedicated to providing founder-friendly guidance, offering valuable insights to a diverse range of venture backed technology companies from formation all the way through to a successful exit. Adam has expertise in corporate formations and structuring, venture capital financings, private secondary markets, mergers and acquisitions, public offerings, and general corporate governance.

In addition to his work with emerging growth companies, Adam also represents top venture capital investment firms in their investments around the globe.
