Amanda is a corporate and securities associate.

Amanda specializes in the representation of emerging growth companies throughout their lifecycles.

Amanda's practice focuses on general corporate counseling, venture capital financings and mergers and acquisitions. She represents a wide variety of technology companies from consumer internet, software, telecommunications and entertainment technology industries, as well as a number of leading venture capital firms. Amanda has experience with the legal implications generative AI, blockchain technology, and NFTs will have on the legal landscape, having received national recognition for her writing on these topics.
