Anna is an associate in the Strategic Transactions & Licensing group.

Anna specializes in corporate partnering, strategic alliances, data privacy, technology protection, and licensing and commercialization of intellectual property and technology assets. Anna advises on intellectual property and technology aspects of venture capital financings and M&A activities, website and application terms of use and privacy policies, and a variety of commercial agreements.

Prior to joining Gunderson Dettmer, Anna was a corporate associate at Pillsbury Winthrop Shaw Pittman LLP focused on venture capital financings, M&A, and securities compliance matters.
