Glen is a partner in our Silicon Valley and San Francisco offices.

Glen is a member of the Corporate and Securities practice group which advises emerging companies and venture capital firms. Glen represents companies at all stages of the corporate life-cycle, from pre-incorporation planning to venture capital financings to mergers and acquisitions and initial public offerings. Glen specializes in a wide range of corporate, securities and partnership law, primarily focusing on the formation and financing of emerging growth companies and the representation of venture capital funds in their investments, and also works with investment banks involved in public and private stock offerings.

Glen earned his J.D., *cum laude*, from Hastings College of Law at the University of California and his B.S. from the University of California at Davis.
