Jay is a partner in our Boston office.

Jay is a debt financing partner with over 20 years of experience leading complex commercial finance transactions in a variety of industries, including technology and life sciences. Jay's practice involves structuring and negotiating loan facilities, including asset-based and cash flow loans, leveraged buy-out transactions, multi-bank syndicated facilities, term loan facilities, and other debt facilities. He also has extensive experience with the workout and restructuring of troubled credits, including in connection with the enforcement of secured creditor rights and remedies under Article 9 of the Uniform Commercial Code and court proceedings.

"Gunderson's platform and extensive client base – from fast-growing startups to formerly venture-backed public companies – offers me a fantastic opportunity to support the debt financing needs of these exceptional technology and life sciences companies across the firm," said Jay in his press release upon joining the firm.
