Maggie is a corporate and securities partner in our Silicon Valley office.

Maggie specializes in the representation of high-growth technology and life sciences companies throughout their lifecycles, including with regard to formation and governance matters, strategic needs, venture capital financings, M&A transactions and public offerings. She works closely with clients through their entire life cycle, from providing strategic and corporate structuring advice to founders at the earliest stages, to managing venture capital and growth financings, to negotiating M&A and other liquidity transactions for late stage growth companies.

In addition to Maggie's experience advising both early and later stage companies, she also maintains an active practice representing venture capital firms investing in companies in at all stages of funding.

Maggie has experience working with companies across a variety of industries, including consumer, internet, genomics, software, biotechnology, telecom and entertainment technology industries.
