

AI Data Analyst Danti Announces \$5M Seed

Client News

May 2, 2024

Gunderson Dettmer represented client Danti, an AI company building a revolutionary AI Data Analyst, in its \$5 million Seed led by Shield Capital. Danti is the first Earth data search engine to enable expert and non-expert users to pose simple questions about physical places on Earth to access the breadth of information generated daily by satellites, drones, analytics firms, social media, news and more.

In the [announcement of the transaction](#), Danti founder and CEO Jesse Kallman said, “There is a massive data overload, distribution, and knowledge gap problem that companies and governments alike are facing. We founded Danti to help users make sense of that data. By leveraging AI and natural language processing, users of any skill level can now connect up large volumes of information, across systems, types and formats to get complete answers in a matter of seconds. We provide users with an AI Data Analyst at their fingertips.”

The Gunderson Dettmer deal team was led by Cody Peterson and included Tim Greene, Bess Blumenfeld, Zack Goldman and Radhika Raman.
