

# BillionToOne Announces \$130M Series D

## Client News

June 21, 2024

Gunderson Dettmer represented client BillionToOne, a next-generation molecular diagnostics company, in its \$130 million Series D financing led by Premji Invest. BillionToOne is a precision diagnostics company on a mission to make molecular diagnostics more powerful, efficient, and accessible for all. The new capital will be used for expanding and scaling BillionToOne's prenatal and oncology businesses.

In the [announcement of the transaction](#), Premji Invest Vice President Akshay Rai said, "At Premji Invest, we aim to partner with exceptional teams, solving difficult problems while building enduring businesses. We are thrilled to be a part of BillionToOne's journey to create an industry-leading molecular diagnostics platform. BillionToOne has made great progress in transforming the prenatal segment over the last few years, and after seeing the initial growth and potential of their liquid biopsy products, we are excited by the platform's potential in expanding the diagnostics options available to clinicians in other specialties."

The Gunderson Dettmer deal team was led by Nick Harley and included Ryan Enchelmayer, Nate Gray, Jessica Crabill, Ben Lezin and Anthony Farnesi.
