

Webinar: IPO Readiness: Setting the Stage for a Successful IPO

Events

June 27, 2024, 10:00 AM

The key to a successful IPO is early preparation. For most companies considering an IPO, this preparation starts 18 months to two years before the IPO launches. Late-stage private companies that begin working towards IPO readiness early will be well-positioned to execute an IPO and to thrive as a public company.

Watch Gunderson Dettmer partners Jeff Vetter, Andy Thorpe and Alexa Belonick in the webinar, “IPO Readiness: Setting the Stage for a Successful IPO” where they talk through the following key steps in this preparation phase:

- 18-24 Months: Auditing, accounting and board matters
- 12-18 Months: Governance and update to policies, processes and systems
- 6-12 Months: S-1 preparation, diligence, equity compensation, communication and more.
