June 28, 2024

Gunderson Dettmer partner Laura Stoffel is interviewed in Forbes article, “Mastering Cap Table Management: A Startup’s Guide to Success.”

A clean cap table is crucial for startups to build investor trust, secure funding, and avoid legal and financial complications through meticulous records, management tools, and transparency.

Emphasizing its key role in building a relationship between founder and investors, Laura said, “A clean and accurate cap table ensures that investors have a clear understanding of the ownership structure, which builds trust and facilitates investment decisions.”
