

# Webinar: Hurdles to Building the GC Role and Developing Key Relationships

## Events

July 17, 2024

The most common conversations we have with General Counsel and heads of legal in our Executive Advisory practice revolve around how to build their roles and earn a strategic seat at the table.

Gunderson Dettmer Advisor and former Gilead Science General Counsel, Brett Pletcher, hosts Part 1 of his three-part webinar series, “Building the General Counsel Role in Venture-Backed Companies,” which aims to help GCs and heads of legal assess the challenges in their current roles, identify and develop the relationships necessary to grow their roles and create strategies for building their roles and functions over time.

Part 1, “Hurdles to Building the GC Role and Developing Key Relationships,” focuses on:

- How do I build my GC role?
- Why isn't the GC "in the Room Where it Happens?"
- How Does the GC Change the Dynamic?
- Elements of the CEO Relationship
- Developing the CEO Relationship
