

# EV Charging Platform AMPECO Announces \$26M Series B

Client News

November 26, 2024

Gunderson Dettmer represented client AMPECO, a leading EV charging management platform provider, in its \$26 million Series B financing led by Revaia. AMPECO offers a white-label and hardware-agnostic EV charging management platform enabling large-scale EV charging providers to launch and scale their business operations under their brand. The company will use the new capital to accelerate its product development and expand its presence in key markets, solidifying its position as a global leader in EV charging software solutions.

In the [announcement of the transaction](#), AMPECO CEO Orlin Radev said, “This investment is a testament to the hard work of our team and the trust our clients place in us. With this funding, we’re poised to further drive innovation in EV charging management software, helping our clients build and scale robust charging networks that will accelerate the global transition to electric mobility. The positive market feedback has reinforced our vision for 2025, as we prepare to launch new platform capabilities focused on operational excellence and network scalability.”

The Gunderson Dettmer deal team was led by Randall Clark and included Aaron Rubin, Jace Clegg, Tuca Bihari, Valerie Wood, Morgan Otway, Eric Peshkin and Carrie Brown.
