

Latin America Based Buildpeer Announces \$2.5M Seed Financing

Client News

December 18, 2024

Gunderson Dettmer represented Latin America-based client Buildpeer, a construction management and collaboration platform, in its \$2.5 million Seed financing led by Brick & Mortar Ventures. Buildpeer is a cloud-based platform that tracks schedules, changes and other project information all with a focus on collaboration. It also includes video tutorials and other information to help workers of any skill level get trained or better understand concepts such as sustainability credits.

In the [announcement of the transaction](#), Buildpeer CEO and founder Mauricio Valdes said, “I was seeing other companies, big contractors, starting to use general project management tools like Monday, Asana and ClickUp, but there was not a construction management software made for the Mexican market.”

The Gunderson Dettmer deal team was led by Brad Krack and included Daniel Gallo and Ben Lezin.
