

Webinar: The Nimble Dance: Dual Track Transformation via IPO or M&A

Events

February 25, 2025

Speaker: Andrew Luh, John H. Olson, Andrew D. Thorpe

Many private company founders and investors dream of finding success – and liquidity – via initial public offering (IPO). Every IPO candidate needs also to consider the alternative possibilities of a merger or acquisition (M&A) exit – whether by proactively designing a structured “dual track” process, or by preparing a playbook for unsolicited M&A bids received prior to IPO launch.

Watch Gunderson Dettmer partners Andrew Luh, John Olson and Andrew Thorpe in the webinar, “The Nimble Dance: Dual Track Transformation via IPO or M&A” where they discuss the dual-track strategy and how company leaders can be prepared to pivot quickly between the IPO and M&A paths to maximize value and sidestep challenges.
