

Spaceium Announces \$6.3M Seed Financing for Fueling in Space

Client News

January 23, 2025

Gunderson Dettmer represented client Spaceium, an in-space fueling startup, in its \$6.3 million Seed financing led by Initialized Capital. Y Combinator grad, Spaceium, is a developer of a spacecraft docking system designed to conquer the challenges and expense of transporting, accessing and re-fueling in space. The company is planning a demo mission of their product capabilities later this year.

In the [announcement of the transaction](#), Spaceium cofounder Ashi Dissanayake said, “Our big mission would be to build the space super highway, where we have multiple refueling stations where a spacecraft can come dock, refill, and go about their way.”

The Gunderson Dettmer deal team was led by Mike Heath and included Joe McGinley and Natalie Kerr.
