

# Prosus Ventures Invests in Voa Health

## Client News

March 24, 2025

Gunderson Dettmer represented client **Prosus Ventures** in its \$3 million investment of Voa Health, a Brazilian AI startup that uses technology to document clinical consultations with high levels of accuracy. Voa Health aims to reduce time spent by doctors organizing data using GenAI. Voa Health will use its new capital for product development and team expansion.

In the **announcement of the transaction**, Latin America Investment Director at Prosus Rafael Barbalat said, “What caught our attention about Voa Health is that the company addresses a critical need, with a native solution capable of reducing administrative burden and combating physician burnout -- two major challenges in healthcare.”

The Gunderson deal team was led by Christel Moreno and included Francisco Mont’Alverne.
