

Tech Brew Interviews Aaron Rubin in “Where the legal battle stands around copyright and AI training”

Insights

April 21, 2025

Gunderson Dettmer partner Aaron Rubin was featured in Emerging Tech Brew’s article, “Where the legal battle stands around copyright and AI training”, which explores the complexities of copyright law in the context of artificial intelligence. The piece highlights the growing legal disputes around whether AI training on copyrighted material constitutes fair use.

In the article, Aaron states “Juxtapose that with what the foundational models are doing: They are taking all of the internet—ungodly sums of information—and they are putting it into models so that anyone can prompt those models for output,”
