Reflection

"This year, as we commemorate AAPI Heritage Month with the Federal Asian Pacific American Council (FAPCA) national theme: **"A Legacy of Leadership and Resilience"**,

we honor the hard work of AAPI leaders who established a foundation for future generations to thrive and adapt to change and adversity. Throughout history, these AAPI leaders, facing insurmountable social barriers, discrimination, and anti-Asian sentiments, chose to fight and overcome these challenges with resilience, courage, strength, and dignity. It was their leadership and perseverance that have brought positive and long-lasting changes to our society. I am incredibly proud to be a member of the AAPI community, and I cherish the hard-fought rights and opportunities that our ancestors brought us, that was the cornerstone of the success and prosperity of our community today.” – Hancen Yu (Corporate Associate Convener of the AAPI Affinity Group).
