

Point72 Leads \$200M Series C of Apex

Client News

April 29, 2025

Gunderson Dettmer represented client [Point72 Ventures](#) as the lead investor in the \$200 million Series C financing of Apex, a manufacturer of spacecraft solutions for both commercial and government customers. Apex is the only manufacturer of off-the-shelf satellite buses and set a world record with its first satellite bus as the fastest clean-sheet design to production spacecraft operating in space. The new financing will enable Apex to scale production for its satellite bus platforms.

In the [announcement of the transaction](#), Partner of Point72 Ventures Chris Morales said, “Apex is laser-focused on what we believe missions in space need most: rapid delivery, transparent pricing, and the highest possible quality. The demonstrated success of Apex’s satellite buses and the company’s innovative approach to manufacturing have helped them win the trust of customers ranging from the U.S. Space Force to industry leading primes.”

The Gunderson deal team was led by Ibrahim Elshamy and included Joe McGinley, Marissa Boykin and Yue Yang.
