**Austin is a corporate associate in the Los Angeles office.**

Austin specializes in the representation of emerging growth companies throughout their lifecycles. His practice focuses on general corporate counseling, venture capital financings, and mergers and acquisitions. Austin works with a diverse range of clients, including technology startups, entertainment-focused ventures, and innovative companies leveraging artificial intelligence, machine learning, and data analytics. Drawing on his entrepreneurial background as a founder of multiple tech startups, he brings a unique perspective to his legal practice, helping clients navigate complex business and legal challenges.

Prior to joining Gunderson Dettmer, Austin co-founded and led several successful ventures, including KINO, an AI-powered cross-device streaming application backed by leading venture capital firms, and EG Global, a Web3 social impact startup. His hands-on experience in building and scaling businesses informs his ability to provide practical, strategic advice to founders and investors alike.
