

Forbes Recognizes Gunderson Dettmer Clients in the AI 50

Client News

April 11, 2023

Forbes has released its 5th annual **AI 50 list for 2023**, which includes six clients of Gunderson Dettmer. The list acknowledges privately-held companies leveraging artificial intelligence to build their businesses and is produced in collaboration with Sequoia Capital and Meritech Capital. This year, the list includes companies from all over the world, not just North America. The combined funding received by the companies on the list is \$27.2 billion.

The Forbes AI 50 list includes Gunderson Dettmer clients:

Anduril Industries, a defense technology company for military agencies and border surveillance

Bayesian Health, empowering clinicians with real-time care signals to manage outcomes and cost

Canvas Construction, developer of robotic technology designed to improve the construction of infrastructure

Clari, developer of a revenue operations platform designed to improve efficiency, predictability, and growth across the entire revenue process.

Pachama, a nature-based carbon credit platform

Vannevar Labs, a defense technology company designed for critical national security problems
