

AI Reconciliation Simetrik Announces \$30M Financing

Client News

June 4, 2025

Gunderson Dettmer represented client [Simetrik](#), a leading AI reconciliation platform, in its \$30 million financing led by Growth Equity at Goldman Sachs Alternatives. Simetrik's no-code platform, powered by agentic AI, enables enterprises to automate complex reconciliation processes, standardize financing data and ensure compliance across millions of transactions.

This financing brings Simetrik's Series B to \$85 million and will accelerate the company's plans for expansion in the United States and other markets.

In the [announcement of the transaction](#), CEO and Co-Founder of Simetrik Alejandro Casas said, "Goldman Sachs's continued support validates the global demand for a purpose-built AI reconciliation platform. With this investment, we'll scale our U.S. presence and deliver even faster time-to-value, helping finance teams cut waste, act immediately on discrepancies, and turn reconciled data into a strategic advantage."

The Gunderson deal team was co-led by Brian Willbur and Dan Green.
