

ChargerHelp! Announces \$17.5M Series A Financing

Client News

February 14, 2023

Gunderson Dettmer represented client ChargerHelp!, developer of an app-based dispatch and deployment system designed to address the problem of downed EV charging stations, in its \$17.5 million Series A financing led by Blue Bear Capital. ChargerHelp! provides on-demand maintenance and repair services for electric vehicle charging stations. The company will use the new capital to expand its operations in the United States, hire staff, and further develop its platform.

In the [announcement of the transaction](#), CEO of ChargerHelp! Kameale Terry said, “This commitment by our investors makes it possible for ChargerHelp! to scale as the demand for our technology and service offerings has rapidly increased with more companies and municipalities recognizing the demand for cleaner, more sustainable and reliable solutions.”

The Gunderson Dettmer deal team was led by Cody Peterson and included Caroline Downer and Rajan Patel.
