

Juno Medical Announces \$12M Series A Financing Led by Next Ventures and Serena Ventures

Client News

December 8, 2022

Gunderson Dettmer represented client Juno Medical, a modern healthcare service provider, in the announcement of its \$12 million Series A financing co-led by Next Ventures and Serena Ventures. Juno is a comprehensive whole-family healthcare platform that provides convenient open-access care at affordable costs with transparent pricing. The new capital will be used to continue developing its technology platform and expanding into new markets.

In the [announcement of the transaction](#), Founder and CEO of Juno Dr. Akili Hinson said, “Juno’s vision is to reimagine the future of healthcare by finally making exceptional, family-centered care accessible and affordable for the 99% all across the United States. At Juno, we’ve designed healthcare that people love by providing the highest quality care and incredible service in a beautiful environment that feels like a place to belong—all powered by modern technology. We are honored by the support of the thousands of patients who have trusted us with their care and our investors who believe in us—we could not be more excited to bring Juno to more neighborhoods and communities all across the country.”

The Gunderson Dettmer deal team was led by Randall Clark and included Tom Villeneuve, Helen Reeves, Darien Pun, Michael Dansey, Sheena Sangal, and Helen Cheng.
