

EPR Fireworks Secures Strategic Growth Investment from Frontier Growth

Client News

July 16, 2025

Gunderson Dettmer represented client Frontier Growth, a vertical SaaS-focused growth equity firm, in its strategic growth capital investment in EPR Fireworks, a leading provider of cloud-based unified records management and operations software for fire and emergency medical services agencies. The new capital will enable EPR to enhance its core platform capabilities while accelerating the development of innovative solutions to address the evolving needs of the fire and EMS industry.

In the [announcement of the transaction](#), EPR Fireworks Co-Founder and CEO Gilad Preger said, “After successfully bootstrapping our growth over the past decade, this partnership with Frontier Growth represents a transformative milestone for EPR. Their strategic support will accelerate our product innovation roadmap, expand our customer success capabilities, and broaden our market reach to serve additional departments with the mission-critical tools they require.”

Frontier Growth Partner Tim Bechtold added, “We are thrilled to partner with EPR’s co-founders and management team to accelerate what has already made the company so successful in the market. Our deep GovTech experience combined with our laser focus on partnering with founder-led, mission-critical, vertical software businesses made EPR an excellent fit with our strategy,” EPR’s dedication to product innovation and customer experience excellence aligns perfectly with our investment philosophy and growth partnership approach.”

The Gunderson deal team was led by Zach Crowe and included Alex Bloom and Bennett Evans.
