

Rabbot Raises US \$4.6M Series A Financing

Client News

May 12, 2022

Gunderson Dettmer represented Brazil-based client **Rabbot**, a developer of a logistics-focused SaaS platform, in its \$4.6 million (BRL 23 million) led by Bradesco's Private Equity and Venture Capital division. Rabbot's platform is designed to streamline fleet management and communications that allow the reduction of manual tasks. The new capital will enable Rabbot to develop new technologies, scale hiring, and expand its operations in Latin America.

In the **announcement of the transaction**, Co-Founder and CEO of Rabbot Bruno Pelikan said in his blog that the company is launching a movement they call Open Logistics which will focus on making it possible to integrate data processes in the ecosystem in order to ensure better management visibility and efficiency for companies.

The Gunderson deal team was led by Christel Moreno and included Rafa Bellaver.
