

# Gunderson Dettmer Publishes “A Guide to AI Risk Management and Insurance for Modern Companies” White Paper

Insights

December 15, 2025

Gunderson Dettmer partners Aaron Rubin and Katie Gardner co-authored a white paper aimed at helping founders and executives navigate the rapidly evolving business risks associated with adopting AI.

The paper provides a comprehensive roadmap for companies that use, develop, or deploy AI technologies, addresses the limitations of traditional insurance offerings, and explores the innovative AI-specific coverage options emerging in the market. It also outlines guidance and best practices for mitigating AI-related risks — from establishing compliant AI use policies to implementing technical and contractual guardrails, and securing appropriate AI-specific insurance coverage.
