

Gunderson Dettmer Named PitchBook's 2021 Most Active Venture Law Firm Globally for the Eighth Year in a Row

Firm News

March 7, 2022

Gunderson Dettmer is confirmed for the **eighth year in a row** as the “most active law firm” globally in PitchBook’s Global Venture Capital League Tables. With over 2,050 venture and growth equity financings to its credit in 2021, these deals represent over \$165 billion raised for technology and life sciences companies worldwide. This is yet another historical milestone for PitchBook Data.

The innovation economy showed tremendous growth compared to 2020, and as the industry accelerated, Gunderson Dettmer scaled with it. Our representation on a global scale was the key to progress in 2021. Practice groups, skills and firm-wide talent bolstered to support our clients worldwide. The near 60% increase in global financings continues to reflect Gunderson’s market leadership in the venture capital marketplace and reinforces previous recognition as the most active law firm in the world since 2014.

In addition to its global recognition, Gunderson Dettmer was the top-ranked firm in 22 categories, including:
