

# Tabs Announces \$55M Series B Led by Lightspeed

Client News

September 16, 2025

Gunderson Dettmer represented client Tabs, an agentic platform for finance, in its \$55 million Series B financing led by Lightspeed with participation from General Catalyst and Primary Venture Partners.

Tabs' mission is to build the world's most powerful AI-native revenue platform for finance teams that are still buried under the manual work of spreadsheets, reconciliations and close processes that drag on for weeks.

In the [announcement of the transaction](#), the company also introduced Tabs Agents, AI coworkers that will automate up to 80% of the work across billing, collections, revenue recognition, and reporting. Tabs CEO and Founder Ali Hussain said, "This raise gives us the fuel to move faster on our agent roadmap, expand our engineering and AI research in New York, and help more companies cut out manual finance work for good."

The Gunderson deal team was led by Melissa Marks and included Darien Pun and Greg Miele.
