

Hash Raises \$40M Series C Financing

Client News

October 20, 2021

Gunderson Dettmer represented client Hash, a payment infrastructure platform, in its \$40 million Series C financing co-led by QED Investors and Kaszek. The company plans to use its new capital to grow within its market geographically and enable more financial services in addition to its payments volume.

In the [announcement of the transaction](#), founder and CEO of Hash Joao Miranda said, “We provide financial infrastructure for B2B companies to embed payments solutions into their own custom ecosystems. By doing this, those companies are offering better, and more competitive solutions for SMBs inside their ecosystems.”

The Gunderson deal team was led by Adan Muller and included Dominic Price and Rafa Bellaver.
