

# Tiger Global Leads \$30M Series A Financing Round of Scribe

Client News

October 18, 2021

Gunderson Dettmer represented client Tiger Global as it led the \$30 million Series A financing of Scribe, a workflow documentation platform. The new capital will be used to scale the Scribe team to meet customer demand and invest in research and development of the Scribe platform.

In the [announcement of the transaction](#), co-founder and CEO of Scribe Jennifer Smith said, “We started Scribe because companies are adopting new tools and ways of working at a breathtaking rate, but they continue to leave behind the only thing that really matters: the humans. Knowledge workers create significant value by interweaving a multitude of tools and systems together into increasingly complicated processes, but this expertise has been nearly impossible to capture and surface. Scribe changes that. Now, expertise is collected automatically, so everyone can access the know-how they need to do their best work.”

The Gunderson deal team was led by Mark Oblad and included Sam Feldman, Jessica Furr, Amanda Ferber, and Alec Saccogna.
