

Adara Ventures Leads Articul8 \$70 Million Series B

Client News

January 7, 2026

Gunderson Dettmer represented Adara Ventures as the lead investor in the \$70 million Series B financing of Articul8, an enterprise generative AI software company. NXC Corporation, Aditya Birla Ventures, and other strategic investors also participated in the round.

The company will use the new capital to accelerate global expansion, deepen its proprietary reasoning technology, and support growing enterprise deployments across North America, Europe, Asia, and Latin America.

“With strong momentum in energy, manufacturing, aerospace, financial services, semiconductors and other critical infrastructure sectors, Articul8 has already delivered measurable impact where precision, trust, and traceability are crucial,” said Alberto Echeverri, Adara Ventures Partner, in the [announcement of the transaction](#). “We are excited to support their next phase of growth as they continue to empower enterprises in these high-stakes environments.”

The Gunderson deal team was led by Dan Green and Federico Varni, and included Vikram Dharasker and Julia Golombik.
