

Red 6 Raises \$30M Series A Financing

Client News

June 1, 2021

Gunderson Dettmer represented client Red 6 Aerospace Inc., an airborne tactical augmented reality system, in its \$30 million Series A financing led by Snowpoint Ventures. The new funding allows Red 6 to continue to build its technology and military training capabilities.

In the [announcement of the transaction](#), co-founder and CEO of Red 6 Daniel Robinson said, “Red 6 is harnessing Augmented Reality to address the urgent demand for more efficient and effective fighter pilot training needed to face today’s national security challenges.”

The Gunderson deal team was led by Mike Heath and included Nick Feldman, Jamal Johnson and Agnes Aniol.

[Red 6](#) co-founder and CEO, Daniel Robinson, was featured on Gunderson Dettmer partner Natalie Pierce’s [FutureWork Playbook podcast](#). In this episode, Natalie and Dan explore how the military and businesses alike can prepare to move ahead with new training protocols and training modules using Augmented Reality technology. They also examine how Red 6 is nurturing a safe workplace that supports remote work while setting the standard for innovative training practices. [Listen here](#).
