

# Slang AI Announces \$36 Million Series B

Client News

February 24, 2026

Gunderson Dettmer represented [Slang AI](#), the first and leading AI platform for hospitality, in its \$36 million Series B financing led by US Venture partners (USVP).

Slang AI will use the investment to further expand and deepen its agentic voice AI platform, empowering restaurants, hotels, and venues to eliminate missed calls, improve revenue capture, enhance the service capabilities of existing staff members, and derive data-driven insights into their operations and customer relationships.

“The best restaurants in the world succeed because they make every guest feel known,” said Slang AI Co-Founder and CEO Alex Sambvani, [in the announcement of the transaction](#). “Hospitality is about remembering people, anticipating their needs, and never missing an opportunity to serve. Slang AI makes that level of personalization possible at every restaurant, not just a handful of elite establishments. We’re building technology that unlocks a new level of personalization and human connection to every interaction, at any scale, and we deeply appreciate our restaurant partners’ and investors’ shared belief in our vision.”

The Gunderson deal team was led by Randall Clark and included Katie Gardner, Darryl Long, Alex VanDerKolk, Lawrence Ho, David Koenig, and Jaime Lacson.
