

TigerGraph Raises \$105M Series C Financing

Client News

February 17, 2021

Gunderson Dettmer represented client TigerGraph, a leading graph analytics platform, in its \$105 million Series C financing.

In the [announcement of the transaction](#), founder and CEO of TigerGraph Dr. Yu Xu said, “TigerGraph is leading the paradigm shift in connecting and analyzing data via scalable and native graph technology with pre-connected entities versus the traditional way of joining large tables with rows and columns. This funding will allow us to expand our offering and bring it to many more markets, enabling more customers to realize the benefits of graph analytics and AI.”

The Gunderson deal team was led by Ilan Lovinsky and Jonathan Spencer and included Caroline Downer and Leanne Gould.
