Client News January 26, 2021

Gunderson Dettmer represented client Fast, a startup that provides one click, no passwords to enable the world's fastest checkout experience, in its \$102 million Series B financing led by Addition and Stripe. The new funding will be used to fuel the rapid adoption of one-click checkout across the internet.

In the announcement of the transaction, CEO and co-founder of Fast Domm Holland said, "The positive response we've received from online sellers who have installed Fast Checkout has been overwhelming, and the funding we are announcing today will enable Fast to meet the demand to bring one-click buying to even more e-commerce stores. We are grateful to work with investors who share our vision to radically improve the online buying process."

The Gunderson deal team was led by Ivan Gaviria and included Hannah Porter and Scout Moran.
