January 6, 2021

Gunderson Dettmer represented client Coatue as it co-led the \$300 million Series D financing of Hinge Health, a patient-centered Digital Clinic for back and joint pain.

In the announcement of the transaction, partner at Coatue Lucas Swisher said, “As the shift toward virtual healthcare condensed from an expected timeline of years to a matter of months, we saw how well Hinge Health responded and reacted. We believe Hinge Health’s digital clinic is unique and tackling one of the biggest challenges in healthcare, and we are excited to join them on the journey.”

The Gunderson deal team was led by Greg Volkmar and included Jack Paterson and Ruchir Patel.
