India Business Law Journal (IBLJ) has ranked Gunderson Dettmer among the top twenty Significant Players for leading foreign law firms handling India-related deals. “Gunderson Dettmer leaps onto the list of significant players for the first time after a promising year in venture financing. The firm channels its offerings based on a set of services critical to clients and refined by stage: venture capital and growth equity, entrepreneurs and emerging companies, and maturing and public companies,” according to *IBLJ*. Gunderson’s impressive recent work led by partner [Jon Pentzien](#), founder and head of the firm’s Singapore office since 2016, on matters for Lightspeed India Partners and Tiger Global was noted as was the firm’s recent representation of Naspers-PayU in its acquisition of Wibmo.

Gunderson is the only Silicon Valley business law firm included in the top 50 law firms. See the full report [here](#).
