

Squire Technologies Raises \$34M Series B

Client News

June 9, 2020

Gunderson Dettmer client Squire Technologies, a booking and payment platform that connects barbers with clients, raised a \$27 million Series B financing and also secured \$7 million in debt.

In the [announcement of the transaction](#) co-founder and CEO of Squire Songe LaRon said, “Small businesses are hurting right now. Fortunately, barbershops are well-positioned to thrive in an economic downturn since people will always need haircuts. We’re focused on providing the payment infrastructure and financial services that will help barbershops reopen successfully and excel post-COVID. This investment will help us scale and execute on our goal of becoming the industry standard for barbershops.”

The Gunderson Dettmer deal team was led by Randall Clark and included Saarah Woodby, Reon Cloete, Jacquelyn DeVore and Courtney Paterson.
