Daniel is a corporate fund associate in the Los Angeles office.

Daniel advises investment fund sponsors on full-cycle fund formation, capital raising, and regulatory strategy for venture capital funds, hedge funds, and alternative investment vehicles. His practice covers the formation, organization, and operation of venture capital and other private equity funds and their general partner and management company entities, including preparation of offering materials, negotiation with investors on fund terms, and drafting partnership, limited liability company, and other governance agreements.

Daniel's experience includes counseling investment advisers, financial services firms, and emerging technology companies—including AI, Web3, and other fintech businesses—on transactional, operational, and regulatory matters. He regularly assists clients with structuring and launching innovative fund products, ensuring

compliance with state and federal securities laws, and advising on day-to-day fund operations and compliance.
