Gunderson Dettmer Chief Innovation Officer Joe Green is quoted in the announcement of “Hotshot Announces Launch of GenAI Fundamentals for Lawyers Certificate Program.” Hotshot, the video-based learning platform for lawyers used by dozens of Am Law 100 firms, law schools, and corporate legal departments, announced the launch of its new certificate program, GenAI Fundamentals for Lawyers.

The program is made up of a series of short, practical, videos that are part of Hotshot’s new Artificial Intelligence topic, and covers key terms and concepts in AI, GenAI and its impact on the legal industry, large language models, and the risks and limitations of LLMs.

Featured in several of the Hotshot videos, Joe said, “As we continue to explore GenAI and all the ways it can benefit our clients and lawyers, it’s essential that we all have the appropriate foundational understanding of this technology and its opportunities, risks, and limitations. It was great to be part of this initiative to help bring this education to so many people in the industry.”
